

**DBE participation on the South Atlantic Street overcrossing project**

Because the South Atlantic Street overcrossing project is a design-bid-build contract, firms submitting proposals were required to include the DBE firms they will utilize to meet the project goal as part of their bid. This contract was awarded to Guy F. Atkinson Construction with the condition that \$3,026,000 worth of work – 10.3 percent of the total contract amount – be performed by certified DBE firms.

**List of firms participating in the project:**

1. O'bunco Engineering
2. Sea-Tac Sweeping Service
3. Terra Dynamics Inc.
4. Washington State Trucking
5. Osborn Consulting
6. AAA Contractor Inc.
7. John Wayne Construction Co.
8. The Bag Lady Inc.
